“Peace holds within itself trust in the Lord, the trust that He governs all things and provides all things, and that He leads towards an end that is good. When a person believes these things about Him he is at peace, since he fears nothing and no anxiety about things to come disturbs him. How far a person attains this state depends on how far he attains love to the Lord.” ~ Arcana Coelestia 8455

### WEEK AHEAD.

### NEWS

**St Matthew Craft Fair** – This year’s Fair will be on November 6<sup>th</sup> this year. We’re looking for crafters! You can come up with an idea and run with it, or help with an oldie-but-goodie: our biggest money maker, birdseed balls, needs a committee. Angela Bond has volunteered to lead this again, and will have crafting sessions late in October, dates TBA. If you’d like to help out with this please email her at [acbond10@verizon.net](mailto:acbond10@verizon.net).

As always, jam is a big seller as well. One of our main jam makers is unable to contribute this year, so please consider joining in with jam making.

Finally, we’re looking for volunteers for various tasks, so please see the TAG bulletin board for the list of tasks. Please see or email Amanda Hyatt ([aghyatt@verizon.net](mailto:aghyatt@verizon.net)) if you have questions, have an idea for a craft, or want to volunteer to help out on the day of the sale. Thanks for helping to make this fun fundraiser a success!

Mr. & Mrs. Michael Landymore of Edgewater, MD are happy to announce the engagement of their daughter, **Dawn Marie, to Major Liam J. Kingston** of Shaw AFB, South Carolina (Liam

was recently re-assigned from the University of MD ROTC to take up a new post at Shaw AFB). Liam’s Dad, Bill, brought us the news and seems pretty happy about the engagement too!

**WELCOME PACKETS:** Please note, new, fully revised welcome packets are now available to offer first time visitors or friends as an introduction to the Washington Society. These include a new welcome booklet that contains information about our teachings, staff, programs, history and even a map of the building floor plan. There are some on the small table outside the kindergarten room, and more are available from the pastor any time.
